American Society for School Business Officials International Selects Sherwood Group, Inc. for Financial and Database Management

DEERFIELD, IL -- The Sherwood Group, Inc., has been selected by the Association for School Business Officials International (ASBO) to provide an integrated financial management package, including financial oversight, accounting, payment processing, database management and technical support services. In addition, Sherwood will manage and host the organization's Web site, www.asbointl.org.

Headquartered in Reston, Va., ASBO International is a 6,000-member professional association that provides programs and services to promote the highest standards of school business management practices, professional growth, and the effective use of educational resources. ASBO International members are the finance decision makers in school districts around the world.

"Sherwood developed a creative, custom management package that allows ASBO to reduce costs and focus resources on core issues," said ASBO International Executive Director John Musso, CAE, RSBA.

The Sherwood Group provides nonprofit organizations with turnkey staff, management, headquarters and consulting solutions. "Sherwood's flexible service structure allows nonprofit organizations to extend their in-house staff capabilities with our specialists in finance, information systems, education, meeting services and communications," said Scott Freeman, CPA, Sherwood's Chief Financial Officer.

The Sherwood Group is an accredited provider of best-practices services for associations, earning charter accreditation from the AMC Institute and the American Society for Association Executives.

The Sherwood Group was founded in 1979 to support associations whose members share a passion for their fields and a commitment to professional development, advocacy and service to their colleagues and communities.
